**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am both a personal and small business consumer that have been abused by the larger US telecoms, including ATT. I have switched both services to the small competitive provider and have been very satisfied with their product and service. There only two major providers in our area, ATT and Comcast and they both are terrible.

The broadband and telephone service is critical to my business and home and I would encourage you to support the small alternative service providers and say no to the US telecoms petition to remove the small providers access to their copperwire infrastructure!

Regards,

Al Its
